

## The Ultimate Exfoliation

\$200.00/90 minutes

6-series package \$1,000.00

Unmatched chemical peel and physical (microdermabrasion) exfoliating systems are synergistically blended together to achieve the ultimate regeneration of skin cells and increase the overall skin metabolism. Patients that have had microdermabrasion and/or glycolic peels in the past will enjoy the benefits of this deeper penetration sloughing system. This "Ultimate Exfoliation" is ideal for mottled complexions often resulting from sun damage, age spots, acne scarring and melasma. **This treatment can be also added to your neck, décolleté and/or hands for continued anti-aging benefits.**

\$60.00/35 minutes

\$35.00/20 minutes (hands only)

## The Diamond Lift

\$210.00/90 minutes

Combining two of the most popular Skin Spa modalities - Diamond-Tip Microdermabrasion and Pelleve. Achieving great exfoliation while firming and tightening the facial skin at the same time. The result can be a reduction of fine lines, creases and exfoliation while restoring a healthy glow of youthful skin, visible firming and contouring. After this "Diamond Micro-Lift", your skin is definitely going to produce more collagen and elastin!

## Non-Surgical Facial Tightening – Pelleve

\$250.00 per zone/60 minutes \*\*\*Full face is divided into four zones

This revolutionary innovation for smoother, tighter skin to treat facial wrinkles without surgery! This non-invasive procedure uses radio frequency technology to heat the deepest layers of skin to stimulate your natural collagen production which ultimately smoothes, tightens and firms the skin. Pelleve is recommended for mild to moderate facial wrinkling. Other Pelleve zones that can be treated include the neck and abdomen.

## Endermologie – Connective Body Tissue Treatment

\$75.00/30 minutes

14-series package \$975.00

A soothing and stimulating treatment to increase blood circulation, beautify the skin and promote body contouring. This therapeutic treatment temporarily improves the appearance of cellulite and circumferential body measurements of cellulite treated areas. Relax and rejuvenate your mind and body as you experience the benefits of this massage-like sensation.

## UV Safe Airbrush Tanning

\$40.00 – 1st tanning session / 30 minutes

\$32.00 – subsequent sessions / 30 minutes

6-series package \$160.00

A healthy alternative to beach tanning. This airbrush tanning artistry allows you to have golden hues without the ultra-violet rays. The UV Safe Tanning Solution, DHA, is a sugar derivative that reacts with the amino acids found naturally in the stratum corneum to produce brownish polymers creating a tanning effect. So now you can wear your summer tan all year long!

## Waxing

\*Please advise your esthetician if you are using glycolic, Accutane or retinol products.

## Hand Rejuvenation

*\$45.00/30 minutes*

This treatment is designed for the hands that are often overlooked. If you have tired, dry hands that need a boost, your hands will love you after this treatment. The result will be rejuvenated, soft and silky.

## Refreshing Mini-Facial

*\$45.00/30 minutes*

A quick pick-me-up that puts the healthy rose color back into your cheeks. This time efficient treatment is designed to deeply cleanse, exfoliate, tone and condition the skin, which includes a customized mask treatment. A perfect lunchtime treat for the busy person always on the go.

## The Classic Skin Spa Facial

*\$75.00/60 minutes*

Our classic European facial is customized using deep cleansing products that nourishes and purifies the skin. This therapeutic treatment increases cellular renewal while soothing the skin to a healthy radiant glow.

## Acne Facial

*\$85.00/60 minutes*

This treatment is designed for skin types that are inflamed and irritated by acne. This facial includes a detoxifying masque along with soothing and blemish corrective products. Extractions are included in this treatment. This treatment is ideal for the oily, acneic and sensitive skin types.

## Teen Facial

*\$85.00/60 minutes*

School is still in session at The Skin Spa. Skin Science 101 is important to help teens achieve and maintain healthy skin. This treatment incorporates the Basics 4 for the young adult – Cleanse, Tone, Mask and SPF. A consistent homecare should be every student's homework after today's lesson at The Skin Spa.

## Enzyme Regenerating Facial

*\$110.00/60 minutes*

A combination of potent antioxidants, enzyme proteins, alpha and beta hydroxy acids are used to maximize the skin's ability to neutralize free radical damage. This amazing restorative, hydrating treatment calms and soothes the skin from day-to-day environmental stress while adding moisturizing agents that will improve the skin's level of hydration and overall clarity.

## Kojic Acid Brightening Facial

*\$115.00/80 minutes*

A blend of Kojic acid and Arbutin are used for extra lightening and brightening benefits. This innovative hydroquinone-free facial is excellent to lighten age spots, freckles, and hyperpigmentation. The treatment renews the skin's surface for a radiant and luminous complexion. Preventative and corrective homecare is a priority after this treatment for maximum benefits.

## Peptide & Growth Factor Stimulating Facial

*\$125.00/60 minutes*

An exclusive blend of peptides and growth factors are used to promote the ultimate anti-aging cell complex to firm, repair and strengthen the cell matrix. This treatment revives the appearance of stressed, fatigued skin with peptides to bring energy and life to the skin's complexion.

*\*\*\*\*Other types of Customized Medical Facials Include\*\*\*\**

*Rosacea / Sensitive*

*Pregnancy*

## Advanced Chemical Peel

*(Glycolic, Salicylic, Jessner, AlphaBeta and Lactic)*

*\$125.00/60 minutes*

*6-series package \$625.00*

Diminish the appearance of fine lines while improving the skin's texture and tone using this medical-grade chemical peel systems. You will definitely achieve the skin enhancing benefits of a high-performance peel after your first treatment. **This treatment can be also added to your neck, décolleté and/or hands for continued anti-aging benefits.**

*\$50.00/30 minutes*

*\$25.00/15 minutes (hands only)*

## Advanced Radio-Frequency Facial

*\$135.00/80 minutes*

Collagen and Elastin stimulating facial using radio frequency to heat the deepest layers of the skin. This R-F facial is often used to tighten and firm sagging skin. Your skin is visibly tightened and hydrated. Using this modulation warms up the collagen protein that works at the dermal junction which allows for greater product penetration and excellent skin elasticity. The R-F facial improves circulation while increasing cellular metabolism. This treatment is specifically designed to re-establish facial muscle memory.

## Crystal-Free Dermabrasion

*\$150.00/60 minutes*

*6-series package \$750.00*

Unwanted skin cells are sloughed away by using a variety of diamond crystal tips for different skin types and facial zones. A precision exfoliation is delivered to the skin's epidermal layer which improves the skin's texture and skin pigmentation leaving it smooth and radiant. At the end of this treatment, you will be amazed to discover your unwanted skin cells that are collected on the diamond-tip filter. A "must see" at the end of each session!

## Back Facial

*\$180.00/80 minutes (Full Back)*

*\$130.00/45 minutes (Half Back)*

Treats the most difficult places to reach, deeply cleansing and reducing hyperpigmentation and inflammation. Includes single and/or double exfoliation with extractions.
